

FENNE, DAVE

Wow, they really left you in here with the corpse, huh?

FAIRWEATHER, HENRI

What the fuck, Dave. The corpse seems preferable to you, at this point.

FENNE, DAVE

By all means, get cozy. You might as well.

FAIRWEATHER, HENRI

What the fuck?

FAIRWEATHER, HENRI

Lovely.

FAIRWEATHER, HENRI

Remind me to run you through with a letter opener the next time I see you.

FAIRWEATHER, HENRI

SHIT!

FAIRWEATHER, HENRI

Ugh...

FAIRWEATHER, HENRI

What the-- Motherfucker--!

FENNE, DAVE

That didn't kill you? That's a shame. You have a surprisingly thick skull.

FAIRWEATHER, HENRI

Fuck off.

FENNE, DAVE

And leave you with the corpse?

FAIRWEATHER, HENRI

What do you want, Dave?

FENNE, DAVE

Now that's an interesting question. Repossession of the on board navigational A.I, for starters. It's an absolute disgrace the amount of computational power that's being wasted on... lighting routines, and inventory management?

FAIRWEATHER, HENRI

Teddy's not exactly within my reach, at the moment.

FENNE, DAVE

Was speaking bigger picture. You're just a loose end.

FAIRWEATHER, HENRI

Then please, spare me the monologue.

FENNE, DAVE

Don't you want to hear from your partner?

FENNE, DAVE

But I mean, if you insist! I'll leave you to your thoughts, and Sylvester's corpse.

FENNE, DAVE

Ciao.

FAIRWEATHER, HENRI

What the fuck are you on about?

FAIRWEATHER, HENRI

What did you do? Dave--!

FAIRWEATHER, HENRI

Dave--
