

**SCORESBY, LAUREL**

Are you more confident covering the left or the right side of the room? The layout is as follows. More cover on the right hand, so if your reaction time isn't the best, I can take that side.

**FAIRWEATHER, HENRI**

My reaction time is average, at best. I'll take the left.

**SCORESBY, LAUREL**

Good to see someone unafraid to admit to their limitations.

On my count, then.

**FAIRWEATHER, HENRI**

Alright.

**SCORESBY, LAUREL**

3, 2, 1.

...

Fuck.

**FAIRWEATHER, HENRI**

It's empty. Of course.

**SCORESBY, LAUREL**

He must be monitoring the ship.

**FAIRWEATHER, HENRI**

*Shit.*

**SCORESBY, LAUREL**

We should get back to U.R.S.A. I don't put it past Fenne to attempt to pry out the ocular implant, given half a chance.

**FAIRWEATHER, HENRI**

Agreed.
